Bequests

A bequest to the Burnside Hospital Foundation – giving a gift from your estate through your will – can be a very powerful way to help our work. For many people a bequest is a way of making a more significant gift than may have been possible during their lifetime. Demonstrate your belief in the vital role played by the Foundation to help The Burnside War Memorial Hospital by making a Bequest. You can be firm in the understanding that your gift will be used to help others for generations to come. When you notify us that you have provided for The Burnside War Memorial Hospital by making a bequest to the Burnside Hospital Foundation in your Will, you will automatically become a 5 Star Platinum Member of The Burnside Hospital Foundation Inc.

To receive written information about making a Bequest, please tick the box on the tear off reply paid section of this brochure and return it to us, or phone the Chief Executive of the Burnside War Memorial Hospital Mr Nick Warden on 8202 7222.

A message from the Chairman

The Burnside War Memorial Hospital is a wonderful and valuable part of our community, and it needs your help.

Our hospital is a lasting memorial to the citizens of Burnside who served in two World Wars, and a living testament to the generosity of the friends of the hospital and the people of Burnside, along with the wider community. An independent not-for-profit community based organisation that receives no government funding, the Burnside War Memorial Hospital needs the support of people in the community to continue providing excellence in health care to all.

The Burnside Hospital Foundation is fortunate to have many loyal supporters which enable it to provide funds to the hospital for much needed medical and surgical equipment, for patient care facilities and for renovations and refurbishments.

I commend the Five Star Supporters Program to you, which in the past has been strongly supported. We seek your ongoing help so together we can make a real difference.

Your gift as a Five Star Supporter will help us continue our valued contribution to the hospital.

I look forward to the future and thank you for your support of our great hospital.

Kind regards,

John Gerard

Chairman
