“Raising public awareness of this very common painful disease”

Do you think you have Endometriosis or do you have a family member, friend or loved one who may have Endometriosis?

Then join us at our public information evening and learn more.

SPEAKERS:

Dr Neisha Wratten (Specialist Gynaecologist)- “Management of Endometriosis”

Dr Peter Devitt (Colorectal Surgeon)- “Irritable Bowel Syndrome and Endometriosis”

Dr Samantha Pillay (Urologist)- “Interstitial cystitis and endometriosis”

Shauna Ashewood (Naturopath) - “ Natural Therapies and Endometriosis”

There will be an opportunity for general discussion at the end of the evening.

Light Supper and Venue Proudly Sponsored by :

Organon and Burnside War Memorial Hospital
